RE:CREATION OCTOBER ALERT

WEDNESDAY AFTER-SCHOOL PROGRAM
K-5TH GRADE W/ REV. SARAH HEGAR & ADULT ROVERS

WEDNESDAY RE:CREATION KICKS OFF!

The K-5th graders are back! They gather between 3:15 and 5:15 PM every week. We begin our time with an opening, snack, mystery person, and video about our bible lesson. The children usually get some free time to play outside and expend some energy. Every week the children learn a different story in the bible. We end with dinner.

We love being able to offer this program in place of a traditional Sunday School. Most kids and families will make Wednesday afternoons a priority!

Special thanks to adult rovers: **Linda Keith, Linda Albright, Gail & Dan Heater, Suzi Morrison, Paula Hoenig, Patty Madden, Erica Redgate, and Terri Gordy**.

PRESS ON YOUTH GROUP

We are so excited for the new year! It was wonderful seeing everyone again and welcoming in our new 6th graders. This fall, we are journeying through the book of Exodus and the Israelites journey to the promised land.

During the month of October, there are many exciting things planned including: setting up for the rummage sale as a service project, a night hike, and purchasing items for a Thanksgiving Food Pantry project. Youth are also encouraged to help with the Re:Creation Fall Party on October 28.

Special thanks to our adult youth leaders: **Kelly Allen, Dan Heater, Luis Berrios Tormos, and Erica Redgate.**
